

Pilot/Air Traffic Controller Forum

This program will be presented in an open-discussion format with questions, comments and suggestions encouraged. Topics of discussion will include pilot/controller responsibilities, airspace rules and procedures, runway incursion prevention, and ATC communication.

Directions: MDOT Aeronautics Building, Auditorium

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
